Ms. Jennifer Cohen
Assistant General Counsel
Texas Department of Public Safety
P.O. Box 4087

OR2010-16184

Dear Ms. Cohen:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 400157 (ORA # 10-1969).

The Texas Department of Public Safety (the "department") received two requests from the same requestor for information pertaining to a specified accident. You state the department has released some of the requested information, including a Texas Peace Officer's Crash Report. *See* Transp. Code § 550.064(c)(4) (officer's accident report must be released to person who provides two of following three pieces of information: date of accident; name of any person involved in accident; specific location of accident). You claim the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.¹

Section 552.101 excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." This section encompasses information protected by other statutes, including the Medical Practice Act (the "MPA"),

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

subtitle B of title 3 of the Occupations Code. Section 159.002 of the MPA provides in part the following:

(b) A record of the identity, diagnosis, evaluation, or treatment of a patient by a physician that is created or maintained by a physician is confidential and privileged and may not be disclosed except as provided by this chapter.

(c) A person who receives information from a confidential communication or record as described by this chapter, other than a person listed in Section 159.004 who is acting on the patient's behalf, may not disclose the information except to the extent that disclosure is consistent with the authorized purposes for which the information was first obtained.

Occ. Code § 159.002(b), (c). Medical records must be released upon the patient's signed, written consent, provided the consent specifies (1) the information to be covered by the release, (2) reasons or purposes for the release, and (3) the person to whom the information is to be released. *Id.* §§ 159.004, 159.005. Section 159.002(c) also requires any subsequent release of medical records be consistent with the purposes for which the governmental body obtained the records. Open Records Decision No. 565 at 7 (1990). Medical records may be released only as provided under the MPA. Open Records Decision No. 598 (1991). We agree you have marked the portion of the submitted information that constitutes medical records; therefore, the department may only release the marked medical records in accordance with the MPA.²

You assert the remaining information is excepted under section 552.108 of the Government Code. Section 552.108(a)(1) excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See* Gov't Code §§ 552.108(a)(1), 552.301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the remaining information relates to a pending criminal investigation. Based on this representation, we conclude the release of this information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e.*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases).

However, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to

²As our ruling is dispositive, we do not address your other arguments to withhold this information.

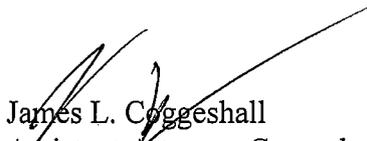

the information held to be public in *Houston Chronicle*. Thus, with the exception of the basic front-page offense and arrest information, the department may withhold the remaining information under section 552.108(a)(1).

To conclude, the department may only release the marked medical records in accordance with the MPA. With the exception of the basic front-page offense and arrest information, the department may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
