OR2010-16256

Dear Mr. Simmons:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 398175 (DART ORR No. 7636).

Dallas Area Rapid Transit ("DART") received a request for report number DTC10003838. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as section 261.201(a) of the Family Code, which provides as follows:

- (a) [T]he following information is confidential, is not subject to public release under Chapter 552, Government Code, and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

- (1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and
- (2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). The submitted report pertains to an accident on a DART bus. You have not explained, and the report does not reflect, that the report was used or developed in an investigation of alleged or suspected child abuse or neglect under section 261.201(a)(2). Furthermore, you have not established the information is a report of alleged or suspected abuse or neglect made under section 261.201(a)(1). *See id.* § 261.001(1), (4) (defining “abuse” and “neglect” for purposes of Fam. Code ch. 261). Therefore, DART may not withhold the submitted report under section 552.101 of the Government Code in conjunction with section 261.201 of the Family Code.

We note a portion of the submitted report is excepted from disclosure under section 552.130 of the Government Code, which provides that information relating to a motor vehicle title or registration issued by a Texas agency is excepted from public release.¹ Gov’t Code § 552.130(a)(2). DART must withhold the Texas vehicle identification number and license plate number we have marked under section 552.130 of the Government Code.² As you raise no further exceptions to disclosure, the remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

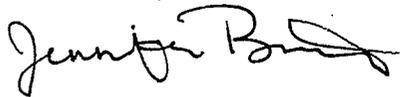

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. ¹The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).
