City of Austin

Dear Mr. Douglas:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 403326.

The Austin Police Department (the "department") received two requests for information pertaining to a specified incident. You state the department does not have any responsive surveillance recordings.<sup>1</sup> You state the department is releasing the requested 9-1-1 call recordings. You claim that the submitted police dash cam videos are excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime [if] release of the information would interfere with the detection, investigation, or prosecution of crime." Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You inform us that the submitted dash

<sup>1</sup>The Act does not require a governmental body to release information that did not exist when a request for information was received or to prepare new information in response to a request. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266, 267-68 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 452 at 3 (1986), 362 at 2 (1983).

cam videos are related to a pending criminal investigation by the University of Texas Police Department. You also state that the University of Texas Police Department objects to the release of the submitted dash cam videos because their release would interfere with the criminal investigation. Based on your representations, we find you have demonstrated that the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14<sup>th</sup> Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases); *see also* Open Records Decision Nos.474 (1987), 372 (1983) (where incident involving allegedly criminal conduct is still under active investigation or prosecution, section 552.108 may be invoked by any proper custodian of information relating to incident). Accordingly, the department may withhold the submitted dash cam videos under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
