OR2010-16542

Dear Ms. Cohen:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 401119 (ORA # 10-2086).

The Texas Department of Public Safety (the "department") received a request for the entire personnel file of a specified individual. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

We note this office recently issued Open Records Letter No. 2010-12863 (2010), a previous determination authorizing the department to withhold personnel records of commissioned officers of the department under section 552.101 of the Government Code in conjunction with section 411.00755 of the Government Code, unless the exceptions to confidentiality listed in subsections 411.00755(b)(1)-(12) or the release provisions listed in subsection 411.00755(c) are applicable. *See* Gov't Code § 411.00755(b)(1)-(12), (c). The submitted information does not contain any of the types of information listed in subsections 411.00755(b)(1)-(12). Furthermore, there is no indication the release provisions in subsection 411.00755(c) are applicable in this instance. Therefore, pursuant to Open Records Letter No. 2010-12863, the department must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 411.00755 of the

Government Code.¹ *See* Open Records Decision No. 673 (2001) (governmental body may rely on previous determination when elements of law, facts, and circumstances have not changed, decision concludes specific, clearly delineated category of information is excepted, and governmental body is explicitly informed it need not seek a decision from this office to withhold information in response to future requests).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
