OR2010-16564

Dear Ms. Armstrong:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 398818 (DPD ORR 2010-7558).

The Dallas Police Department (the "department") received a request for offense report number 0175339-X. You claim portions of the submitted offense report are excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You have marked the information you seek to withhold in the submitted offense report. You state this information pertains to a pending criminal investigation. Based on this representation and our review, we conclude the release of this information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and, therefore, does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases). Therefore, the department may withhold the information you have marked under section 552.108(a)(1) of the Government Code. We note you have the discretion to release all or part of this information that is not otherwise confidential by law. Gov't Code § 552.007. As you have not claimed any other exceptions to disclosure, the remaining information must be released.²

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

Leah B. Wingerson
Assistant Attorney General

²We note the information being released includes the requestor's Texas motor vehicle record information that is generally confidential under section 552.130 of the Government Code. Because this exception was enacted to protect a person's privacy, the requestor has a right of access to his own private information under section 552.023(a) of the Government Code. *See* Gov't Code § 552.023(a) (person or person's authorized representative has special right of access, beyond right of general public, to information held by governmental body that relates to person and is protected from public disclosure by laws intended to protect person's privacy interests). If the department receives another request for this information from an individual other than this requestor, the department should again seek our decision.
