Mr. Sam Aguirre
Assistant City Attorney
City of San Marcos

San Marcos, Texas 78666

OR2010-17142

Dear Mr. Aguirre:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 404438.

The San Marcos Police Department (the "department") received a request for information pertaining to a specified accident. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information contains a CR-3 accident report form completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) states that, except as provided by subsections (c) or (e), accident reports are privileged and confidential. Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) the date of the accident; (2) the name of any person involved in the accident; and (3) the specific location of the accident. *Id.* § 550.065(c)(4). In this instance, the requestor has provided the department with all three of the requisite pieces of information specified by the statute. Although you seek to withhold this information under section 552.108 of the Government Code, we note information that is specifically made public by statute may not be withheld from the public under any of the exceptions to public disclosure under the Act. *See, e.g.,* Open Records Decision Nos. 544 (1990), 378 (1983), 161 (1977), 146 (1976). Accordingly, the department must release the submitted CR-3 accident report form in its entirety pursuant to chapter 550 of the Transportation Code.

We now address your argument under section 552.108 of the Government Code for the remaining submitted information. Section 552.108 of the Government Code excepts from public disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals

with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108 (a)(1). A governmental body that claims an exception to disclosure under section 552.108 must reasonably explain how and why this exception is applicable to the information at issue. *See id.* § 552.301(e)(1)(A); *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the information at issue pertains to a pending criminal prosecution. Based on your representations and our review, we conclude that section 552.108(a)(1) is applicable in this instance. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases).

Section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov’t Code § 552.108 (c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-87; Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Accordingly, with the exception of the basic information, the department may withhold the remaining information under section 552.108(a)(1) of the Government Code.

In summary, the department must release the submitted CR-3 accident report form in its entirety pursuant to section 550.065 of the Transportation Code. With the exception of basic information, the department may withhold the remaining information from public disclosure under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
