

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

November 17, 2010

Mr. Brandon S. Shelby
City Attorney
City of Sherman
P.O. Box 1106
Sherman, Texas 75091-1106

OR2010-17376

Dear Mr. Shelby:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 400388.

The City of Sherman (the "city") received a request for "the construction drawing for the building floor plan for the Heritage Park Surgical Hospital . . . for which a permit has been issued." Although you indicate the city takes no position with respect to the public availability of the requested information, you indicate its release may implicate the proprietary interests of a third party. Pursuant to section 552.305 of the Government Code, you were required to notify the third party of the request and of its opportunity to submit comments to this office explaining why the submitted information should be withheld from disclosure. *See* Gov't Code § 552.305(d) (permitting interested third party to submit to attorney general reasons why requested information should not be released); *see also* Open Records Decision No. 542 (1990) (determining that statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception to disclosure in certain circumstances). We have reviewed the submitted representative sample of information.¹

¹We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from the third party whose information is at issue explaining why its submitted information should not be released. Therefore, we have no basis to conclude the third party has protected proprietary interests in its information. *See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Consequently, the city may not withhold any of the submitted information on the basis of any proprietary interests a third party may have in the information. As you raise no exception to disclosure, the information at issue must be released to the requestor.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

Cindy Nettles
Assistant Attorney General
Open Records Division
