

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

November 22, 2010

Ms. Jerris Penrod Mapes
Assistant City Attorney
Killeen Police Department
402 North Second Street
Killeen, Texas 76541-5298

OR2010-17605

Dear Ms. Mapes:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 401385 (ORRs #W004267 and #W004302).

The Killeen Police Department (the "department") received a request for video recordings pertaining to case #10-012987. A second request from the same requestor seeks statements by named individuals pertaining to the same incident. You claim the submitted information is excepted from disclosure under sections 552.101, 552.103, and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note the requestor seeks only a copy of the video of a specified location at a specified time and the statements made by two named individuals. Thus, the portion of the submitted information that does not consist of the video of the specified location at the specified time or the specified statements is not responsive to the present request. This ruling does not address the public availability of any information that is not responsive to the request and the department is not required to release that information in response to this request.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information protected by other statutes. Juvenile law enforcement records relating to conduct that occurred on or after September 1, 1997 are confidential under section 58.007(c). The relevant language of section 58.007(c) reads as follows:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

(1) if maintained on paper or microfilm, kept separate from adult files and records;

(2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

Fam. Code § 58.007(c). For purposes of section 58.007(c), "child" means a person who is ten years of age or older and under seventeen years of age. *See id.* § 51.02(2). The submitted information involves juvenile delinquent conduct that occurred after September 1, 1997. *See id.* § 51.03 (defining "delinquent conduct" for purposes of Fam. Code § 58.007). It does not appear any of the exceptions in section 58.007 apply. Therefore, the submitted information is confidential and the department must withhold it under section 552.101 of the Government Code in conjunction with section 58.007(c) of the Family Code.¹

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
