Dear Mr. Weir:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 405949 (COSA File No. 2010-6858).

The City of San Antonio (the "city") received a request for information pertaining to offense report number 00817657. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by statute, including section 550.065(b) of the Transportation Code, which states that except as provided by subsection (c) or subsection (e), accident reports are privileged and confidential. *See* Transp. Code § 550.065. Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) date of the accident; (2) name of any person involved in the accident; and (3) specific location of the accident. *Id.* § 550.065(c)(4). You inform us that the requestor has not provided the city with two of the three requisite pieces of information specified by the statute. Accordingly, the city must withhold the submitted CR-3 accident report form under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code. As

you raise no further exceptions to disclosure, to the extent the submitted supplements are not part of the CR-3 accident report form, they must be released to the requestor.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
