Dear Ms. Benton:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 407229 (Waco Reference #: LGL-10-1564).

The City of Waco (the "city") received a request for information pertaining to a specified citation, including any related insurance coverage. You indicate you have released some information to the requestor. You claim some of the submitted information is excepted from disclosure under sections 552.130 and 552.136 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.130 of the Government Code excepts from disclosure information that "relates to . . . a motor vehicle operator's or driver's license or permit issued by an agency of this state [or] a motor vehicle title or registration issued by an agency of this state." Gov't Code § 552.130. Accordingly, the city must withhold the Texas motor vehicle record information you have marked under section 552.130 of the Government Code.

Section 552.136 of the Government Code states that "[n]otwithstanding any other provision of this chapter, a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential." *Id.* § 552.136. We agree the insurance policy number you have marked is an access device

number for the purposes of section 552.136. Thus, the city must withhold the information you have marked under section 552.136 of the Government Code.¹

In summary, the city must withhold the Texas motor vehicle record information you have marked under section 552.130 of the Government Code and the insurance policy number you have marked under section 552.136 of the Government Code. The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
