OR2010-18311

Dear Ms. Lentz:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 402376.

The Williamson County Sheriff's Office (the "sheriff") received a request for information pertaining to a specified investigation. You claim the submitted information is excepted from disclosure under sections 552.108 and 552.137 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note the requestor excludes social security numbers and Texas driver's license, license plate, and vehicle identification numbers from the scope of the request. Accordingly, these types of information are not responsive to the request for information. This ruling does not address the public availability of any information that is not responsive to the request and the sheriff is not required to release that information in response to the request.

Section 552.108(a)(2) of the Government Code excepts from disclosure information concerning an investigation that did not result in conviction or deferred adjudication. *See* Gov't Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. *See id.* § 552.301(e)(1)(A) (governmental body must provide comments explaining why exceptions raised should apply to information requested). You state the submitted information is the file of a criminal investigation in which no arrests were made and no criminal charges were pursued. Thus, you state the submitted information relates to a case that ended in a result other than

conviction or deferred adjudication. Based on these representations and our review, we agree section 552.108(a)(2) is applicable to the submitted responsive information.

However, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e.*, 536 S.W.2d 559 (Tex. 1976). See Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Thus, with the exception of the basic information, the sheriff may withhold the submitted responsive information under section 552.108(a)(2) of the Government Code.<sup>1</sup>

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
