December 8, 2010

Mr. John Ohnemiller
First Assistant City Attorney
City of Midland
P.O. Box 1152
Midland, Texas 79702-1152

OR2010-18441

Dear Mr. Ohnemiller:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 407252.

The Midland Police Department (the "department") received a request for information pertaining to a specified arrest. You state the department has released basic information to the requestor. *See* Gov't Code § 552.108(c) (stating basic information about arrested person, arrest, or crime may not be withheld under section 552.108); *see also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). You claim that the remaining submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information includes intoxilyzer results. Section 724.018 of the Transportation Code provides that on request of the person who has given a specimen at the request of a peace officer, full information concerning the analysis of the specimen must be made available to that person or the person's attorney. Transp. Code § 724.018. Here, the requestor is the individual who submitted the specimen at the request of a peace officer.

Thus, the department must release the intoxilyzer results to the requestor pursuant to section 724.018 of the Transportation Code.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). Generally, a governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). We note that the submitted information includes a statutory warning and a notice of suspension. Because copies of these documents, which we have marked, have been provided to the arrestee, we find that their release will not interfere with the detection, investigation, or prosecution of crime. *See* Gov’t Code § 552.108(a)(1). Therefore, the department may not withhold these documents under section 552.108(a)(1). You state that the remaining information at issue relates to an open and pending criminal case. Based upon your representation and our review, we conclude that the release of the remaining information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, with the exception of the statutory warning and the notice of suspension, the department may withhold the remaining information under section 552.108(a)(1).

In summary, the department must release the intoxilyzer results to the requestor pursuant to section 724.018 of the Transportation Code. With the exception of the statutory warning and the notice of suspension, which must be released, the department may withhold the remaining information under section 552.108(a)(1) of the Government Code.¹

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
