Dear Mr. Meitler:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 403325.

The Texas Education Agency (the "agency") received a request for a list of complaints the agency has received in the last two years regarding a named charter school. You state you will release some of the responsive information to the requestor. You claim that the submitted information is excepted from disclosure under section 552.116 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.116 of the Government Code provides:

If information in an audit working paper is also maintained

in another record, that other record is not excepted from the requirements of Section 552.021 by this section.

(b) In this section:

(1) "Audit" means an audit authorized or required by a statute of this state or the United States, the charter or an ordinance of a municipality, an order of the commissioners court of a county, a resolution or other action of a board of trustees of a school district, including an audit by the district relating to the criminal history background check of a public school employee, or a resolution or other action of a joint board described by Subsection (a) and includes an investigation.

(2) "Audit working paper" includes all information, documentary or otherwise, prepared or maintained in conducting an audit or preparing an audit report, including:

(A) intra-agency and interagency communications; and

(B) drafts of the audit report or portions of those drafts.

Gov't Code § 552.116. You state the requested information consists of "audit working papers prepared or maintained by [the agency's] Student Assessment Division Security Task Force in conducting investigations of testing irregularities in the administration of statewide assessment instruments." You inform us the investigations "are authorized by section 39.057(a)(8) of the Education Code, which permits the [c]ommissioner of [e]ducation to authorize special accreditation investigations to be conducted in response to an allegation regarding or an analysis using a statistical method result indicating a possible violation of an assessment instrument security procedure." *See* Educ. Code § 39.057 (listing circumstances in which the commissioner of education shall authorize investigations). Based on your representations and our review, we agree the submitted complaint information constitutes audit working papers under section 552.116. Thus, the agency may withhold the requested complaint information pursuant to section 552.116 of the Government Code.
