

ATTORNEY GENERAL OF TEXAS

GREG ABBOTT

December 21, 2010

Ms. Tiffany Bull
Assistant City Attorney
Arlington Police Department
P. O. Box 1065
Arlington, Texas 76004-1065

OR2010-19248

Dear Ms. Bull:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 408333 (APD Reference No.2499-111710).

The Arlington Police Department (the "department") received a request for information pertaining to a specified accident. You indicate the department does not have some of the requested information.¹ You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

We note that the submitted documents include a CR-3 accident report form completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) states that, except as provided by subsection (c) or subsection (e), accident reports are privileged and confidential. *Id.* § 550.065(b). Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) the date of the accident; (2) the name of any person involved in the accident; and (3) the specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more of the items of information specified by the statute. *Id.* In this instance, the requestor has provided the department with all of the specified pieces of information. Although you seek to withhold this information under section 552.108 of the Government Code, we note information that is specifically made public by statute may not

¹The Act does not require a governmental body that receives a request for information to create information that did not exist when the request was received. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos.605 at 2 (1992), 563 at 8 (1990), 555 at 1-2 (1990), 452 at 3 (1986), 362 at 2 (1983).

be withheld from the public under any of the exceptions to public disclosure under the Act. *See, e.g.*, Open Records Decision Nos. 544 (1990), 378 (1983), 161 (1977), 146 (1976). Accordingly, the department must release the submitted CR-3 accident report pursuant to section 550.065(c)(4) of the Transportation Code.

We also note the submitted information includes court documents. Section 552.022(a)(17) of the Government Code provides for required public disclosure of "information that is also contained in a public court record," unless the information is expressly confidential under other law. Gov't Code § 552.022(a)(17). We have marked the documents subject to section 552.022(a)(17). Although you seek to withhold these documents under section 552.108 of the Government Code, that section is a discretionary exception to disclosure that protects a governmental body's interests and may be waived. *See id.* § 552.007; Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 177 at 3 (1977) (statutory predecessor to Gov't Code § 552.108 subject to waiver). As such, section 552.108 is not other law that makes information expressly confidential for the purposes of section 552.022(a)(17). Therefore, the marked court documents may not be withheld under section 552.108 and must be released.

You seek to withhold the remaining information under section 552.108 of the Government Code. Section 552.108(a)(1) excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime [if] release of the information would interfere with the detection, investigation, or prosecution of crime." Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state that the remaining information relates to an open and pending criminal investigation. Based upon your representation and our review, we conclude that section 552.108(a)(1) is generally applicable in this instance. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases). We note, however, that the information at issue includes a DIC-24 statutory warning. The department provided a copy of this form to the arrestee. You have not explained how releasing this information, which has already been seen by the arrestee, would interfere with the detection, investigation, or prosecution of crime. *See* Gov't Code § 552.108(a)(1). Accordingly, the DIC-24 form may not be withheld under section 552.108.

Additionally, section 552.108 does not except from disclosure "basic information about an arrested person, an arrest, or a crime." *Id.* § 552.108(c). Section 552.108(c) refers to the basic "front-page" information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-187; *see also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Accordingly, with the exception of the DIC-24 form and basic information, the department may withhold the remaining submitted information under section 552.108(a)(1) of the Government Code.

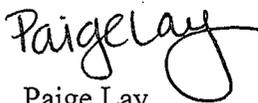

Finally, we note that the DIC-24 form contains a Texas driver's license number. Section 552.130 of the Government Code exempts from disclosure information relating to a motor vehicle operator's or driver's license or permit issued by an agency of this state.² See Gov't Code § 552.130(a)(1). The department must withhold the Texas driver's license number we have marked under section 552.130.³

In summary, the department must release the submitted CR-3 accident report pursuant to section 550.065(c)(4) of the Transportation Code and the marked court documents must be released pursuant to section 552.022(a)(17) of the Government Code. Except for the marked Texas driver's license number, which the department must withhold under section 552.130 of the Government Code, the DIC-24 form must be released. Except for basic information, which must be released, the department may withhold the remaining submitted information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. ²The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. See Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

³We note this office issued Open Records Decision No. 684 (2009), a previous determination to all governmental bodies authorizing them to withhold ten categories of information, including Texas driver's license numbers under section 552.130 of the Government Code, without the necessity of requesting an attorney general decision.
