OR2010-19301A

Dear Ms. Scheffler:

This office issued Open Records Letter No. 2010-19301 (2010) on December 22, 2010. In a letter dated January 7, 2011, you informed this office, and provided documentation showing, that the underlying request for information in Open Records Letter No. 2010-19301 had been withdrawn prior to the issuance of the ruling from this office. Where this office determines that an error was made in the decision process under sections 552.301 and 552.306 of the Government Code, and that error resulted in an incorrect decision, we will correct the previously issued ruling. Consequently, this serves as the correct decision and is a substitute for the decision issued on December 22, 2010. *See generally* Gov't Code § 552.011 (providing that Office of Attorney General may issue decision to maintain uniformity in application, operation, and interpretation of the Public Information Act (the "Act"))).

Based on your representation that you wish to withdraw your request for an open records decision because the requestor has withdrawn the request for information voluntarily, this office will consider this matter closed. Accordingly, Open Records Letter No. 2010-19301 is overruled. If you have any questions with regard to this letter, please refer to ID# 403606.

Sincerely,

Sarah Casterline
Assistant Attorney General
