Ms. Cary Grace
Assistant City Attorney
City of Austin
P.O. Box 1088
Austin, Texas 78767-1088

OR2011-00524

Dear Ms. Grace:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 406331.

The City of Austin (the "city") received a request for any audio recording pertaining to a specified code compliance complaint. You claim that the requested information is excepted from disclosure pursuant to section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. You raise section 552.101 in conjunction with the common-law informer's privilege, which Texas courts have long recognized. *See Aguilar v. State*, 444 S.W.2d 935, 937 (Tex. Crim. App. 1969). The informer's privilege protects the identities of persons who report activities over which the governmental body has criminal or quasi-criminal law-enforcement authority, provided that the subject of the information does not already know the informer's identity. *See Open Records Decision Nos. 515 at 3 (1988), 208 at 1-2 (1978)*. The privilege protects the identities of individuals who report violations of statutes to the police or similar law-enforcement agencies, as well as those who report violations of statutes with civil or criminal penalties to "administrative officials having a duty of inspection or of law enforcement within their particular spheres." *See Open Records Decision No. 279 at 2 (1981) (citing 8 John H. Wigmore, Evidence in Trials at Common Law, § 2374, at 767 (J. McNaughton rev. ed. 1961))*. The report must be of a violation of a criminal or civil statute. *See Open Records Decision Nos. 582 at 2 (1990), 515 at 4-5*. The privilege excepts the

informer's statement only to the extent necessary to protect the informer's identity. *See* Open Records Decision No. 549 at 5 (1990).

You seek to withhold the submitted audio recording in its entirety under the informer's privilege. In some circumstances, where an oral statement is captured on tape and the voice of the informant is recognizable, it may be necessary to withhold the entire statement to protect the informant's identity. Open Records Decision No. 434 at 2 (1986). You state the audio recording at issue identifies an individual who reported a possible violation of section 25-2-491 of the City Code of Ordinances to the city's Code Compliance Department, which you explain has the authority to enforce the applicable section of the code. You also state that the alleged violation at issue is punishable by fine and criminal penalties. Upon review, we conclude the city may withhold the submitted audio recording in its entirety under section 552.101 of the Government Code in conjunction with the common-law informer's privilege.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
