

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

January 11, 2011

Ms. Paige H. Saenz  
Assistant City Attorney  
City of Kyle  
223 West Anderson Lane, Suite A-105  
Austin, Texas 78752

OR2011-00558

Dear Ms. Saenz:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 405630.

The City of Kyle (the "city"), which you represent, received a request for all e-mails between two named city police department employees during a specified time period. You claim that the requested information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.<sup>1</sup>

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section excepts from disclosure information deemed confidential by statute, such as section 143.089 of the Local Government Code. You state the city is a civil service city under chapter 143 of the Local Government Code. Section 143.089 contemplates two different types of personnel files: a police officer's civil service file that the civil service director is required to maintain, and an internal file that the police department may maintain for its own use. Local Gov't Code § 143.089(a), (g). In cases in which a police department investigates a police officer's misconduct and takes disciplinary action against an officer, it is required by section 143.089(a)(2) to place all investigatory records relating to the investigation and disciplinary action, including background documents such as complaints, witness statements, and documents of like nature from individuals who

<sup>1</sup>We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. See Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

were not in a supervisory capacity, in the police officer's civil service file maintained under section 143.089(a).<sup>2</sup> *Abbott v. City of Corpus Christi*, 109 S.W.3d 113, 122 (Tex. App.—Austin 2003, no pet.). All investigatory materials in a case resulting in disciplinary action are “from the employing department” when they are held by or in possession of the department because of its investigation into a police officer's misconduct, and the department must forward them to the civil service commission for placement in the civil service personnel file. *Id.* Such records are subject to release under the Act. See Local Gov't Code § 143.089(f); Open Records Decision No. 562 at 6 (1990). However, information maintained in a police department's internal file pursuant to section 143.089(g) is confidential and must not be released. *City of San Antonio v. Texas Attorney Gen.*, 851 S.W.2d 946, 949 (Tex. App.—Austin 1993, writ denied).

You inform us the information in Exhibit B consists of the city police department's internal records that are subject to the confidentiality provisions of section 143.089(g). You state this information consists of personnel records that are not required to be maintained in an officer's “public” file under section 143.089(a) and are maintained for the city police department's internal use. Based on your representations and our review of the documents at issue, we agree the information in Exhibit B is confidential pursuant to section 143.089(g) of the Local Government Code and must be withheld under section 552.101 of the Government Code.

You claim section 552.108 of the Government Code for the information in Exhibit C. Section 552.108(b)(1) of the Government Code excepts from disclosure “[a]n internal record or notation of a law enforcement agency or prosecutor that is maintained for internal use in matters relating to law enforcement or prosecution . . . if . . . release of the internal record or notation would interfere with law enforcement or prosecution[.]” Gov't Code § 552.108(b)(1); see also Open Records Decision No. 531 at 2 (1989) (quoting *Ex parte Pruitt*, 551 S.W.2d 706, 710 (Tex. 1977)). Section 552.108(b)(1) is intended to protect “information which, if released, would permit private citizens to anticipate weaknesses in a police department, avoid detection, jeopardize officer safety, and generally undermine police efforts to effectuate the laws of this State.” *City of Fort Worth v. Cornyn*, 86 S.W.3d 320 (Tex. App.—Austin 2002, no pet.). To demonstrate the applicability of this exception, a governmental body must meet its burden of explaining how and why release of the requested information would interfere with law enforcement and crime prevention. Open Records Decision No. 562 at 10 (1990). This office has concluded that section 552.108(b)(1) excepts from public disclosure information relating to the security or operation of a law enforcement agency. See, e.g., Open Records Decision Nos. 531 (1989) (release of detailed use of force guidelines would unduly interfere with law enforcement), 252 (1980) (section 552.108 is designed to protect investigative techniques and procedures used in law enforcement), 143 (1976) (disclosure of specific operations or specialized equipment directly related to investigation or detection of crime may be excepted). Section 552.108(b)(1) is not

applicable, however, to generally known policies and procedures. *See, e.g.*, ORD 531 at 2-3 (Penal Code provisions, common law rules, and constitutional limitations on use of force not protected), 252 at 3 (governmental body failed to indicate why investigative procedures and techniques requested were any different from those commonly known).

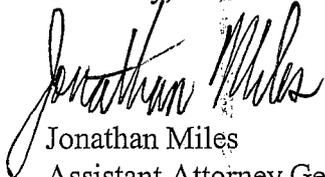

You state that the information in Exhibit C relates to potential threats against law enforcement officers. You assert release of Exhibit C would inhibit the city police department's ability to respond to the threat and prevent or solve any criminal related to the threat. You also state the information at issue relates to matters involving officer safety. Based on your arguments and our review, we find the city has demonstrated that release of Exhibit C would interfere with law enforcement and crime prevention. Accordingly, the city may withhold Exhibit C under section 552.108(b)(1) of the Government Code.

In summary, the city must withhold Exhibit B under section 552.101 of the Government Code in conjunction with section 143.089(g) of the Local Government Code. The city may withhold Exhibit C under section 552.108(b)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
