OR2011-00758

Dear Ms. Pfefferle:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 406043 (DSHS# 18211).

The Texas Department of State Health Services (the "department") received a request for nine categories of environmental information regarding two specified properties. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. You also state release of this information may implicate the proprietary interests of Grandview Warehouse ("Grandview"). You inform us, and provide documentation showing, pursuant to section 552.305 of the Government Code, you have notified Grandview of the request and of its right to submit arguments to this office explaining why the requested information should not be released. *See Gov't Code* § 552.305 (permitting interested third party to submit to attorney general reasons why requested information should not be released); *see also* Open Records Decision No. 542 (1990) (determining statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in certain circumstances). We have considered the submitted argument.

We must address the department's obligations under the Act. Pursuant to section 552.301(e) of the Government Code, the governmental body is required to submit to this office within fifteen business days of receiving the request (1) general written comments stating the reasons why the stated exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the

specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *See* Gov't Code § 552.301(e). As of the date of this letter, you have not submitted to this office a copy or representative sample of the information requested. Consequently, we find the department failed to comply with the requirements of section 552.301.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to submit to this office the information required in section 552.301(e) results in the legal presumption the requested information is public and must be released. Information that is presumed public must be released unless a governmental body demonstrates a compelling reason to withhold the information to overcome this presumption. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ); *see also* Open Records Decision No. 630 (1994). Generally, a governmental body may demonstrate a compelling reason to withhold information by showing the information is made confidential by another source of law or affects third-party interests. *See* ORD 630. Because the department failed to submit any information for our review, we have no basis for finding it confidential under section 552.101 of the Government Code.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from Grandview explaining why the requested information should not be released. Therefore, we have no basis to conclude Grandview has any protected proprietary interest in the requested information. *See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3 (1990). Consequently, the department may not withhold any of the requested information on the basis of any proprietary interest Grandview may have in the information. Therefore, we have no choice but to order the department to release the requested information to the requestor. If you believe the information is confidential and may not lawfully be released, you must challenge this ruling in court pursuant to section 552.324 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at [http://www.oag.state.tx.us/open/index\\_orl.php](http://www.oag.state.tx.us/open/index_orl.php), or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public

information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,
