

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

January 18, 2011

Ms. J. Middlebrooks
Assistant City Attorney
Criminal Law and Police Section
City of Dallas
1400 South Lamar
Dallas, Texas 75215

OR2011-00794

Dear Ms. Middlebrooks:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 406118 (DPD P.I.R. # 2010-9944).

The Dallas Police Department (the "department") received a request for "all internal affairs records on 2010-096" pertaining to a named police officer. You claim that portions of the submitted information are excepted from disclosure under sections 552.101, 552.117, and 552.136 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information that other statutes make confidential, such as chapter 772 of the Health and Safety Code, which authorizes the development of local emergency communication districts. Sections 772.118, 772.218,

¹We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

and 772.318 of the Health and Safety Code are applicable to emergency 9-1-1 districts established in accordance with chapter 772. See Open Records Decision No. 649 (1996). These sections make the originating telephone numbers and addresses of 9-1-1 callers furnished by a service supplier confidential. *Id.* at 2. Section 772.118 applies to an emergency communication district for a county with a population of more than two million. Section 772.218 applies to an emergency communication district for a county with a population of more than 860,000. Section 772.318 applies to an emergency communication district for a county with a population of more than 20,000.

We understand the City of Dallas is part of an emergency communication district established under section 772.318. You seek to withhold the telephone number and address of a 9-1-1 caller. We conclude the department must withhold the information we have marked under section 552.101 of the Government Code in conjunction with section 772.318 of the Health and Safety Code to the extent it is the originating telephone number and address furnished by a 9-1-1 service supplier. If the marked information is not the originating telephone number and address furnished by a 9-1-1 service supplier, this information may not be withheld under section 552.101 in conjunction with section 772.318.

Section 552.101 of the Government Code also encompasses section 773.091 of the Health and Safety Code, which provides in relevant part:

(b) Records of the identity, evaluation, or treatment of a patient by emergency medical services personnel or by a physician providing medical supervision that are created by the emergency medical services personnel or physician or maintained by an emergency medical services provider are confidential and privileged and may not be disclosed except as provided by this chapter.

...

(g) The privilege of confidentiality under this section does not extend to information regarding the presence, nature of injury or illness, age, sex, occupation, and city of residence of a patient who is receiving emergency medical services.

Health & Safety Code § 773.091(b), (g). You assert a portion of the submitted information constitutes EMS records maintained by an EMS provider documenting emergency medical services provided to a patient by EMS personnel. Upon review, we agree the information we have marked constitutes EMS records or information taken directly from EMS records that are confidential under section 773.091. We note, however, records that are confidential under section 773.091 may be disclosed to "any person who bears a written consent of the patient or other persons authorized to act on the patient's behalf for the release of confidential information." *Id.* §§ 773.092(e)(4), .093. Section 773.093 provides that a consent for release of EMS records must specify: (1) the information or records to be

covered by the release; (2) the reasons or purpose for the release; and (3) the person to whom the information is to be released. *Id.* § 773.093. Therefore, the department must withhold the marked EMS records under section 552.101 of the Government Code in conjunction with section 773.091 of the Health and Safety Code, except as specified by section 773.091(g), unless the department receives the required consent for release of that information. *See id.* §§ 773.092, .093; Open Records Decision No. 632 (1995).

Section 552.117(a)(2) of the Government Code excepts the home addresses and telephone numbers, social security numbers, and family member information of a peace officer as defined by Article 2.12 of the Code of Criminal Procedure, regardless of whether the officer made an election under section 552.024 of the Government Code. Gov't Code § 552.117(a)(2); *see* Open Records Decision No. 622 (1994). We agree the department must withhold the information you have marked under section 552.117(a)(2).²

Section 552.136 of the Government Code provides in part that “[n]otwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential.” *Id.* § 552.136(b); *see id.* § 552.136(a) (defining “access device”). You inform us an employee’s identification number is used in conjunction with one additional digit in order to access the employee’s credit union account. Based on your representation, we agree the department must withhold the employee identification number we have marked under section 552.136.

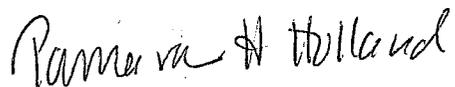

In summary, the department must withhold the information we have marked under section 552.101 of the Government Code in conjunction with section 772.318 of the Health and Safety Code to the extent it is the originating telephone number and address furnished by a 9-1-1 service supplier. The department must withhold the marked EMS information under section 552.101 in conjunction with section 773.091 of the Health and Safety Code, except as specified by section 773.091(g), unless the department receives the required consent for release of that information. The department must withhold the information you have marked under sections 552.117(a)(2) of the Government Code. The department must withhold the employee identification number we have marked under section 552.136 of the Government Code. The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

²We note a government body may withhold a peace officer’s home address and telephone number, personal cell phone and pager numbers, social security number, and family member information under section 552.117(a)(2) without requesting a decision from this office. *See* Open Records Decision No. 670 (2001); Gov’t Code § 552.147(b).

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
