Ms. Kasey Feldman

Texas Commission on Environmental Quality
P.O. Box 13087

OR2011-01911

Dear Ms. Feldman:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 408484.

The Texas Commission on Environmental Quality (the "commission") received a request for audio recordings and notes from a specified Pre-Hearing Conference and an Appeals Hearing regarding the requestor, and the commission's "policy/procedure for handling complaints internally of the protected class nature[.]" You claim that the requested information is excepted from disclosure under section 552.103 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.103 of the Government Code provides in part:

- (a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). A governmental body that claims an exception to disclosure under section 552.103 has the burden of providing relevant facts and documentation sufficient to establish the applicability of this exception to the information that it seeks to withhold. To meet this burden, the governmental body must demonstrate that (1) litigation is pending or reasonably anticipated on the date the governmental body receives the request for information, and (2) the information at issue is related to the pending or anticipated litigation. *See Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, no pet.); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.); Open Records Decision No. 551 at 4 (1990). The governmental body must meet both prongs of this test for information to be excepted from disclosure under section 552.103(a). *See* ORD 551 at 4.

You state, and provide documentation demonstrating, the requestor filed suit against the commission in the United States District Court for the Northern District of Texas on July 27, 2010. You also state, and we agree, the information in Exhibit C is related to the pending litigation against the commission. As such, we conclude that the commission may withhold Exhibit C under section 552.103 of the Government Code.

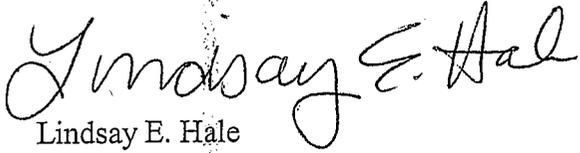

We note that once the information has been obtained by all parties to the pending litigation, no section 552.103(a) interest exists with respect to that information. Open Records Decision No. 349 at 2 (1982). We also note that the applicability of section 552.103(a) ends when the litigation is concluded. Attorney General Opinion MW-575 (1982) at 2; Open Records Decision Nos. 350 at 3 (1982), 349 at 2 (1982).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
