For Donna Independent School District

OR2011-02448

Dear Mr. Resendez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID#409397.

The Donna Independent School District (the "district"), which you represent, received a request for a digital or audio recording of a specified board meeting held on September 28, 2010. You claim that the requested information is excepted from disclosure under sections 552.101 through 552.148 of the Government Code. We have considered the exceptions you claim.

We must address the district's procedural obligations under the Act. Pursuant to section 552.301(e) of the Government Code, a governmental body is required to submit to this office within fifteen business days of receiving the request (1) general written comments stating the reasons why the stated exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *See* Gov't Code § 552.301(e). You inform us that the district received this request on November 23, 2010. However, as of the date of this letter, you have not submitted to this office comments explaining why the stated exceptions apply, nor have you submitted a copy or representative sample of the information requested. Consequently, we find that the district failed to comply with the procedural requirements of section 552.301.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the requirements of section 552.301 results in the legal presumption the requested information is public and must be released unless a compelling reason exists to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166

S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ) (governmental body must make compelling demonstration to overcome presumption of openness pursuant to statutory predecessor to section 552.302); *see also* Open Records Decision No. 630 (1994). Generally, a compelling reason to withhold information exists where some other source of law makes the information confidential or where third party interests are at stake. Open Records Decision No. 150 at 2 (1977). You assert that the requested information is confidential under sections 552.101 through 552.148 of the Government Code. In failing to comply with the procedural requirements of section 552.301, you have waived the discretionary exceptions you raised. *See* Open Records Decision No. 522 (1989) (discretionary exceptions in general). Accordingly, the requested information may not be withheld under any of the discretionary exceptions. Furthermore, by failing to submit any information for our review, we have no basis for finding it confidential under the claimed mandatory exceptions. Thus, we have no choice but to order the requested information released pursuant to section 552.302. If you believe the information is confidential and may not lawfully be released, you must challenge this ruling in court pursuant to section 552.324 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
