Ms. Luz E. Sandoval-Walker
Assistant City Attorney
El Paso City Prosecutor's Office

El Paso, Texas 79901

OR2011-02603

Dear Ms. Sandoval-Walker:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 409590 (El Paso reference no. 2010-12-21-AG).

The El Paso Police Department (the "department") received a request for information pertaining to a specified incident. You claim the requested information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information protected by other statutes. Juvenile law enforcement records relating to conduct that occurred on or after September 1, 1997 are confidential under section 58.007 of the Family Code. The relevant language of section 58.007 provides:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

(1) if maintained on paper or microfilm, kept separate from adult files and records;

(2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

...

(e) Law enforcement records and files concerning a child may be inspected or copied by a juvenile justice agency as that term is defined by Section 58.101, a criminal justice agency as that term is defined by Section 411.082, Government Code, the child, and the child's parent or guardian.

Fam. Code § 58.007(c), (e). For purposes of section 58.007(c), "child" means a person who is ten years of age or older and under seventeen years of age at the time of the reported conduct. *See id.* § 51.02(2)(A). The submitted report constitutes a law enforcement record relating to a juvenile allegedly engaged in delinquent conduct that occurred after September 1, 1997. *See id.* § 51.03(a) (defining "delinquent conduct" for the purposes of section 58.007). Accordingly, this information would ordinarily be confidential pursuant to section 58.007 of the Family Code. However, we note that the requestor is the step-parent of the juvenile offender listed in the report, and, thus, may be the legal guardian of the juvenile offender. Accordingly, if the requestor is not a legal guardian of the juvenile offender listed in the report, then the submitted information must be withheld in its entirety under section 552.101 in conjunction with section 58.007 of the Family Code. However, if the requestor is the legal guardian of the juvenile offender, then the requestor may inspect or copy any law enforcement records concerning his own child under section 58.007(e), and the department must release the submitted information to him.¹ *Id.* § 58.007(e).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General's Open Government Hotline, toll free,

¹Because the requestor may have a right of access to certain information that otherwise would be exempted from release under the Act, the department must again seek a decision from this office if it receives a request for this information from a different requestor.
