

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

Ms. Leslie O. Haby  
Assistant City Attorney  
City of San Antonio  
P.O. Box 839966  
San Antonio, Texas 78283-3966

OR2011-02653

Dear Ms. Haby:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 410091 (COSA File No. 10-1998).

The City of San Antonio (the "city") received a request for information related to an executive retreat involving city officials on a specified date. You state that some of the information will be released to the requestor. You claim the remaining requested information is excepted from disclosure under sections 552.101 through 552.147 of the Government Code. We have considered the exceptions you claim.

We must address the city's responsibilities under the Act. Section 552.301 of the Government Code prescribes the procedures that a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. Pursuant to section 552.301(e), a governmental body that receives a request for information it wishes to withhold under the Act is required to submit to this office within fifteen business days of receiving the request (1) general written comments stating the reasons why the stated exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. Gov't Code § 552.301(e). The city received the request at issue on December 6, 2010. You inform this office that the city was closed for the Christmas holiday on December 24 and December 27, 2010. Thus, the city was required to submit the information required by section 552.301(e) by December 29, 2010. As of the date of this letter, the city has not submitted either general written comments stating the reasons why the claimed exceptions apply to the requested information or a copy of the specific information

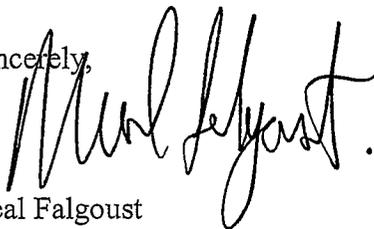

requested or a representative sample. Accordingly, we find the city has failed to comply with the requirements of section 552.301(e) of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the information is public and must be released. Information that is presumed public must be released unless a governmental body demonstrates a compelling reason to withhold the information to overcome this presumption. See Gov't Code § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ) (governmental body must make compelling demonstration to overcome presumption of openness pursuant to statutory predecessor to section 552.302); Open Records Decision No. 630 (1994). A compelling reason exists when third-party interests are at stake or when information is confidential under other law. Open Records Decision No. 150 (1977). Because the city has failed to comply with the requirements of the Act, the city has waived all of its claimed discretionary exceptions to disclosure. See Open Records Decision Nos. 663 at 5 (1999) (untimely request for decision resulted in waiver of discretionary exceptions). Furthermore, because you have not submitted the information to this office for our review, we have no basis for finding it confidential under the claimed mandatory exceptions. Thus, we have no choice but to order you to release the responsive information in accordance with section 552.302 of the Government Code. If you believe the information is confidential and may not lawfully be released, you must challenge this ruling in court pursuant to section 552.324 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,
