Ms. Amy L. Sims
Assistant City Attorney
City of Lubbock
P. O. Box 2000
Lubbock, Texas 79457

OR2011-02794

Dear Ms. Sims:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 414753.

The Lubbock Police Department (the "department") received two requests for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code.¹ We have considered the exception you claim and reviewed the submitted information.

Initially, we note that the submitted documents include a CR-3 accident report form completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) states that, except as provided by subsection (c) or subsection (e), accident reports are privileged and confidential. *Id.* § 550.065(b). Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) the date of the accident; (2) the name of any person involved in the accident; and (3) the specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more of the items of information specified by the statute. *Id.* In this instance, the requestors have provided the department with the specified items of

¹Although you also raise section 552.101 of the Government Code, you have not submitted arguments explaining how this exception applies to the submitted information. Therefore, we presume you have withdrawn this exception. *See* Gov't Code §§ 552.301, .302.

information. Accordingly, the department must release the submitted CR-3 accident report to these requestors pursuant to section 550.065(c)(4) of the Transportation Code.

Next, we address your claim under section 552.108 of the Government Code for the remaining information. Section 552.108(a)(1) excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). Generally, a governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). We note that the remaining information includes a statutory warning and notice of suspension. Because copies of these documents, which we have marked, have been provided to the arrestee, we find that their release will not interfere with the detection, investigation, or prosecution of crime. *See* Gov’t Code § 552.108(a)(1). Therefore, the department may not withhold these documents under section 552.108(a)(1). You state that the remaining information relates to an open and pending criminal case. Based upon your representation and our review, we conclude that the release of the remaining information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the remaining information.

However, basic information about an arrested person, an arrest, or a crime is not excepted from disclosure under section 552.108. Gov’t Code § 552.108(c). Such basic information refers to the information held to be public in *Houston Chronicle*. *See Houston Chronicle*, 531 S.W.2d at 186-8; *see also* Open Records Decision No. 127 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Thus, with the exception of the statutory warning, notice of suspension, and basic information, the department may withhold the remaining information under section 552.108(a)(1).

We note that the statutory warning and notice of suspension contain a Texas driver’s license number subject to section 552.130 of the Government Code.² Section 552.130 provides that information relating to a motor vehicle operator’s license or driver’s license issued by a Texas agency is excepted from public release. Gov’t Code § 552.130(a)(1). Upon review, we find the department must withhold the Texas driver’s license number we

²The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

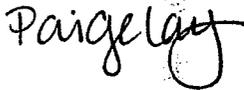

have marked in the statutory warning and notice of suspension under section 552.130 of the Government Code.³

In summary, the department must release the submitted CR-3 accident report to these requestors pursuant to section 550.065(c)(4) of the Transportation Code. With the exception of the statutory warning, notice of suspension, and basic information, the department may withhold the remaining information under section 552.108(a)(1) of the Government Code. In releasing the statutory warning and notice of suspension, the department must withhold the Texas driver's license number we have marked under section 552.130 of the Government Code.
