Dear Ms. Bohn:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 414871.

The Lake Travis Independent School District (the "district") received a request for records of billings and payments for mobile communications devices and services during January 2011. You state some of the requested information either has been or will be released. You claim other responsive information is excepted from disclosure under section 552.136 of the Government Code. We have considered the exception you claim and reviewed the information you submitted.

Section 552.136 of the Government Code provides in part that "[n]otwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential." Gov't Code § 552.136(b); *see id.* § 552.136(a) (defining "access device"). We conclude the district must withhold the account number you have marked, as well as the additional information we have marked, under section 552.136 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
