OR2011-03386

Dear Mr. Bounds:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 411011.

The Corpus Christi Police Department (the "department") received a request for information pertaining to a specified incident. You state the department has released some of the requested information. We note the department has redacted social security numbers pursuant to section 552.147 of the Government Code and Texas driver's license numbers under section 552.130 of the Government Code pursuant to Open Records Decision No. 684 (2009).<sup>1</sup> You claim portions of the submitted information are excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses laws that make criminal history record

<sup>1</sup>Section 552.147(b) of the Government Code authorizes a governmental body to redact a living person's social security number from public release without the necessity of requesting a decision from this office under the Act. Open Records Decision No. 684 (2009) is a previous determination to all governmental bodies authorizing them to withhold ten categories of information, including Texas driver's license numbers under section 552.130 of the Government Code, without the necessity of requesting an attorney general decision.

information ("CHRI") confidential. CHRI generated by the National Crime Information Center or by the Texas Crime Information Center is confidential under federal and state law. Title 28, part 20 of the Code of Federal Regulations governs the release of CHRI that states obtain from the federal government or other states. Open Records Decision No. 565 at 7 (1990). The federal regulations allow each state to follow its individual law with respect to CHRI it generates. *Id.* Section 411.083 of the Government Code deems confidential CHRI the Department of Public Safety ("DPS") maintains, except DPS may disseminate this information as provided in chapter 411, subchapter F of the Government Code. *See* Gov't Code § 411.083. Sections 411.083(b)(1) and 411.089(a) authorize a criminal justice agency to obtain CHRI; however, a criminal justice agency may not release CHRI except to another criminal justice agency for a criminal justice purpose. *Id.* § 411.089(b)(1). Other entities specified in chapter 411 of the Government Code are entitled to obtain CHRI from DPS or another criminal justice agency; however, those entities may not release CHRI except as provided by chapter 411. *See generally id.* §§ 411.090- .127. Similarly, any CHRI obtained from DPS or any other criminal justice agency must be withheld under section 552.101 of the Government Code in conjunction with Government Code chapter 411, subchapter F. Accordingly, the department must withhold the CHRI you marked under section 552.101 of the Government Code in conjunction with chapter 411 of the Government Code and federal law.

Section 552.101 also encompasses chapter 772 of the Health and Safety Code, which authorizes the development of local emergency communications districts. Sections 772.118, 772.218, and 772.318 of the Health and Safety Code are applicable to emergency 9-1-1 districts established in accordance with chapter 772. *See* Open Records Decision No. 649 (1996). These sections make the originating telephone numbers and addresses of 9-1-1 callers that are furnished by a service supplier confidential. *Id.* at 2. Section 772.318 applies to an emergency communication district for a county with a population of more than 20,000. You inform us the City of Corpus Christi is part of an emergency communication district established under section 772.318 of the Health and Safety Code. You assert the telephone number and address you have marked in the submitted information were provided by a 9-1-1 service supplier. Based on your representations, we conclude the department must withhold the information you have marked under section 552.101 of the Government Code in conjunction with section 772.318 of the Health and Safety Code.

In summary, the department must withhold the information you have marked under 552.101 of the Government Code in conjunction with: (1) chapter 411 of the Government Code and federal law and (2) section 772.318 of the Health and Safety Code. The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
