

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

March 11, 2011

Mr. Daniel Bradford
Assistant County Attorney
Travis County
P.O. Box 1748
Austin, Texas 78767

OR2011-03426

Dear Mr. Bradford:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 411042.

The Travis County Purchasing Office (the "county") received a request for the winning proposal, including Technical Plan, submitted by AECOM Technical Services, Inc. ("AECOM") for Contract and Solicitation Number 10AE0198JE. Although you raise no exceptions to disclosure of the submitted proposal, you state release of this information may implicate the proprietary interests of AECOM. You inform us, and provide documentation showing, that pursuant to section 552.305 of the Government Code, you notified AECOM of the request and of its right to submit arguments to this office explaining why its information should not be released. *See* Gov't Code § 552.305 (permitting interested third party to submit to attorney general reasons why requested information should not be released); *see also* Open Records Decision No. 542 (1990) (determining that statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in certain circumstances). We have reviewed the submitted information.

An interested third party is allowed ten business days from the date of its receipt of the governmental body's notice under section 552.305 of the Government Code to submit its reasons, if any, as to why information relating to the third party should not be released. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this decision, this office has received no correspondence from AECOM. Thus, because AECOM has not demonstrated that any of

its requested information is proprietary for the purposes of the Act, the county may not withhold any of the submitted information on that basis. *See id.* § 552.110(a)-(b); Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. As no exceptions to disclosure are raised, the submitted information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General, toll free at (888) 672-6787.

Sincerely,

Andrea L. Caldwell
Assistant Attorney General
Open Records Division
