Mr. David K. Walker  
County Attorney  
Montgomery County  
207 West Phillips, 1<sup>st</sup> Floor

OR2011-04383

Dear Mr. Walker:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 412986 (Montgomery County ORR# 2011-0139).

The Montgomery County Sheriff's Department (the "department") received a request for two reports regarding a specified assault incident and a specified drug incident. You state the department has released, or will release, some information to the requestor. You claim the submitted information concerning the assault is excepted from disclosure under section 552.101 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by other statutes, such as section 58.007 of the Family Code, which protects juvenile law enforcement records related to delinquent conduct and conduct indicating a need for supervision that occurred on or after September 1, 1997. Section 58.007 provides, in relevant part:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise,

concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

- (1) if maintained on paper or microfilm, kept separate from adult files and records;
- (2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and
- (3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

Fam. Code § 58.007(c). For purposes of section 58.007(c), "child" means a person who is ten years of age or older and under seventeen years of age at the time the offense is committed. *See id.* § 51.02(2). The submitted information reflects one of the suspects was fifteen years old at the time of the incident. Accordingly, we find the submitted information involves a juvenile engaged in delinquent conduct that occurred after September 1, 1997. *See id.* § 51.03(a)(1) (defining "delinquent conduct" for purposes of section 58.007 as "conduct, other than a traffic offense, that violates a penal law of this state . . . punishable by imprisonment or by confinement in jail"). It does not appear any of the exceptions in section 58.007 apply. *See id.* § 58.007(e)-(i). Therefore, the submitted information is confidential and must be withheld in its entirety under section 552.101 of the Government Code in conjunction with section 58.007(c) of the Family Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
