The Lake Travis Independent School District (the "district") received a request for all billing statements, invoices, and payments regarding any mobile communications devices and/or services paid for by the district during February 2011. You state you have released some of the responsive information to the requestor. You claim that portions of the submitted information are excepted from disclosure under section 552.136 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

You state portions of the submitted information are subject to section 552.136 of the Government Code. Section 552.136 states that "[n]otwithstanding any other provision of this chapter, a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential." Gov't Code § 552.136(b); *see id.* § 552.136(a) (defining "access device"). Upon review, we agree the district must withhold the bank account numbers and bank routing numbers you have marked

under section 552.136 of the Government Code.¹ The remaining information must be released.
