Mr. David Mendoza
Assistant District Attorney
Hays County District Attorney's Office

OR2011-04848

Dear Mr. Mendoza:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 413887.

The Hays County Sheriff's Office (the "sheriff") received a request from an investigator with the Texas Education Agency ("TEA") for information relating to a specified case. You claim the requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the information you submitted.

We first note some of the submitted information, which we marked, does not pertain to the case that is the subject of this request for information. Thus, the marked information is not responsive to this request. This decision does not address the public availability of the marked information, which the sheriff need not release in response to this request.

Section 552.108 of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why this exception is applicable to the information at issue. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the submitted responsive information

is related to a pending criminal prosecution. Based on your representation, we find section 552.108(a)(1) is applicable in this instance. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

We note section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Section 552.108(c) refers to the basic front-page offense and arrest information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*). You state basic information has been released. We therefore conclude the sheriff may generally withhold the responsive information under section 552.108(a)(1) of the Government Code.

As previously noted, however, the requestor is an investigator for the TEA, which has assumed the duties of the State Board for Educator Certification (the "SBEC").¹ Section 22.082 of the Education Code provides that the SBEC "may obtain from any law enforcement or criminal justice agency all criminal history record information ["CHRI"] and all records contained in any closed criminal investigation file that relate to a specific applicant for or holder of a certificate issued under Subchapter B, Chapter 21 [of the Education Code]." Educ. Code § 22.082. Section 411.090 of the Government Code grants the SBEC a right of access to obtain CHRI from the Texas Department of Public Safety (the "DPS") regarding persons who have applied to the SBEC. *See* Gov't Code § 411.090. Additionally, section 411.0901 of the Government Code specifically provides the TEA with a right of access to obtain CHRI maintained by the DPS regarding certain school employees or applicants for employment. *See id.* § 411.0901. Pursuant to section 411.087 of the Government Code, an agency entitled to obtain CHRI from the DPS also is authorized to "obtain from any other criminal justice agency in this state [CHRI] maintained by that [agency]." *Id.* § 411.087(a)(2). CHRI consists of "information collected about a person by a criminal justice agency that consists of identifiable descriptions and notations of arrests, detentions, indictments, information, and other formal criminal charges and their dispositions." *Id.* § 411.082(2).

We find, when read together, that sections 22.082 of the Education Code and 411.087 of the Government Code give the TEA a statutory right of access to portions of the submitted responsive information. *Cf. Brookshire v. Houston Indep. Sch. Dist.*, 508 S.W.2d 675, 678-79 (Tex. Civ. App.—Houston [14th Dist.] 1974, no writ) (when legislature defines term in one statute and uses same term in relation to same subject matter in latter statute, later use of term is same as previously defined). Thus, we conclude the sheriff must release information to this requestor from the responsive documents that shows the types of

allegations made and whether there was an arrest, information, indictment, detention, conviction, or other formal charges and their dispositions. *See* Open Records Decision No. 451 (1986) (specific statutory right of access provisions overcome general exceptions to disclosure under Act). The sheriff may withhold the rest of the responsive information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
