

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

April 11, 2011

Ms. Jessica C. Eales
Assistant City Attorney
City of Houston Legal Department
P.O. Box 368
Houston, Texas 77001-0368

OR2011-04913

Dear Ms. Eales:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 416033 (GC No. 18318).

The City of Houston (the "city") received a request for "the complete transcript of the investigation, not just the summary, in complaint file: 2010-0740." You claim the requested information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." This section encompasses information protected by other statutes. The city is a civil service city under chapter 143 of the Local Government Code. Section 143.1214 of the Local Government Code provides in relevant part the following:

(b) The department shall maintain an investigatory file that relates to a disciplinary action against a fire fighter or police officer that was overturned on appeal, or any document in the possession of the department that relates to a charge of misconduct against a fire fighter or police officer, regardless of whether the charge is sustained, only in a file created by the department for the department's use. The department may only release information in those investigatory files or documents relating to a charge of misconduct:

- (1) to another law enforcement agency or fire department;
- (2) to the office of a district or United States attorney; or
- (3) in accordance with Subsection (c).

(c) The department head or the department head's designee may forward a document that relates to disciplinary action against a fire fighter or police officer to the director or the director's designee for inclusion in the fire fighter's or police officer's personnel file maintained under Sections 143.089(a)-(f) only if:

- (1) disciplinary action was actually taken against the fire fighter or police officer;
- (2) the document shows the disciplinary action taken; and
- (3) the document includes at least a brief summary of the facts on which the disciplinary action was based.

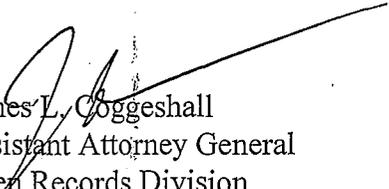

Local Gov't Code § 143.1214(b)-(c). You state the submitted information pertains to an investigation by the Houston Fire Department Staff Services Command of allegations of misconduct by two city "fire fighter paramedics." You state and provide documentation showing no disciplinary action was taken. Thus, you assert the submitted information does not meet the conditions specified by section 143.1214(c) for inclusion in any fire fighter paramedic's personnel file under section 143.089(a). You also state the requestor is not another law enforcement agency or fire department or a representative of the office of a district or United States attorney. Thus, you contend the city must withhold the information at issue under section 143.1214 of the Local Government Code. Based on your representations, we agree the city must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 143.1214 of the Local Government Code. *See* Open Records Decision No. 642 at 5 (1996) (files relating to investigations of Houston Fire Department personnel by Public Integrity Review Group of Houston Police Department were confidential under Local Government Code section 143.1214).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php,

Sincerely,

James L. Coggeshall
