Mr. Gary Grief  
Executive Director  
Texas Lottery Commission  
P.O. Box 16630  
Austin, Texas 78761-6630

OR2011-04985

Dear Mr. Grief:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 414277 (TLC File No. B-13763).

The Texas Lottery Commission (the "commission") received a request for records pertaining to a named individual and a specified administrative hearing before the State Office of Administrative Hearings.<sup>1</sup> You state the commission has released some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes. Access to medical records is governed by the Medical Practice Act (the "MPA"), Occ. Code §§ 151.001-165.160. Section 159.002 of the MPA provides in part:

(a) A communication between a physician and a patient, relative to or in connection with any professional services as a physician to the patient, is confidential and privileged and may not be disclosed except as provided by this chapter.

---

<sup>1</sup>We note the commission sought and received clarification of the request. *See* Gov't Code § 552.222(b) (stating that if information requested is unclear to governmental body or if large amount of information has been requested, governmental body may ask requestor to clarify or narrow request, but may not inquire into purpose for which information will be used).

(b) A record of the identity, diagnosis, evaluation, or treatment of a patient by a physician that is created or maintained by a physician is confidential and privileged and may not be disclosed except as provided by this chapter.

(c) A person who receives information from a confidential communication or record as described by this chapter, other than a person listed in Section 159.004 who is acting on the patient's behalf, may not disclose the information except to the extent that disclosure is consistent with the authorized purposes for which the information was first obtained.

*Id.* § 159.002(a)-(c). Information subject to the MPA includes both medical records and information obtained from those medical records. *See id.* §§ 159.002, .004; Open Records Decision No. 598 (1991). This office has concluded that the protection afforded by section 159.002 extends only to records created by either a physician or someone under the supervision of a physician. *See* Open Records Decision Nos. 487 (1987), 370 (1983), 343 (1982). Medical records must be released upon the patient's signed, written consent, provided that the consent specifies (1) the information to be covered by the release, (2) reasons or purposes for the release, and (3) the person to whom the information is to be released. *See* Occ. Code §§ 159.004, .005. Any subsequent release of medical records must be consistent with the purposes for which the governmental body obtained the records. *See id.* § 159.002(c); Open Records Decision No. 565 at 7 (1990). Upon review, we agree the information in Exhibit B may only be released in accordance with the MPA.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
