Ms. J. Middlebrooks
Assistant City Attorney
Criminal Law and Police Section
City of Dallas
1400 South Lamar
Dallas, Texas 75215

OR2011-05649

Dear Ms. Middlebrooks:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 419990 (DPD Request 2011-02473).

The Dallas Police Department (the "department") received a request for information pertaining to a specified service number. You claim portions of the submitted information are excepted from disclosure under sections 552.101, 552.108, and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information made confidential by other statutes. The submitted information includes an accident report form that was completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) states that except as provided by subsections (c) or (e), accident reports are privileged and confidential. Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information:

¹We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

(1) date of the accident; (2) name of any person involved in the accident; and (3) specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, a governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more pieces of information specified by the statute. *Id.* In the present request, the requestor has not provided the department with any of the required pieces of information. Thus, the department must withhold the accident report form you have marked under section 552.101 in conjunction with section 550.065(b).

Section 552.101 also encompasses chapter 772 of the Health and Safety Code, which authorizes the development of local emergency communication districts. Sections 772.118, 772.218, and 772.318 of the Health and Safety Code are applicable to emergency 9-1-1 districts established in accordance with chapter 772. *See* Open Records Decision No. 649 (1996). These sections make the originating telephone numbers and addresses of 9-1-1 callers furnished by a service supplier confidential. *Id.* at 2. Section 772.118 applies to an emergency communication district for a county with a population of more than two million. Section 772.218 applies to an emergency communication district for a county with a population of more than 860,000. Section 772.318 applies to an emergency communication district for a county with a population of more than 20,000.

We understand the City of Dallas is part of an emergency communication district established under section 772.318. You have marked the telephone number of a 9-1-1 caller the department seeks to withhold. We conclude that, if the marked telephone number was furnished by a 9-1-1 service supplier, then the department must withhold this information under section 552.101 of the Government Code in conjunction with section 772.318 of the Health and Safety Code. If the marked information was not provided by a 9-1-1 service supplier, then it may not be withheld under section 552.101 in conjunction with section 772.318.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state that the information you have marked relates to a pending criminal investigation. Based upon this representation, we conclude that release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Accordingly, we conclude the department may withhold the information you have marked under section 552.108(a)(1) of the Government Code.

You assert portions of the remaining information are subject to section 552.130 of the Government Code. Section 552.130 provides that information relating to a motor vehicle operator's license, driver's license, motor vehicle title, or registration issued by a Texas agency is excepted from public release. Gov't Code § 552.130(a)(1), (2). The department must withhold the Texas motor vehicle information you have marked under section 552.130 of the Government Code.²

In summary, the department must withhold the submitted accident report form under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code. If the marked telephone number was furnished by a 9-1-1 service supplier, then the department must withhold this information under section 552.101 in conjunction with section 772.318 of the Health and Safety Code. The department may withhold the marked information under section 552.108(a)(1) of the Government Code. The department must withhold the information you have marked under section 552.130 of the Government Code. The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

Paige Lay
Assistant Attorney General
Open Records Division

²We note this office issued Open Records Decision No. 684 (2009), a previous determination to all governmental bodies authorizing them to withhold ten categories of information, including a Texas driver's license number and Texas license plate number under section 552.130 of the Government Code, without the necessity of requesting an attorney general decision.
