GREG ABBOTT

April 28, 2011

Mr. Peter Scott
Assistant City Attorney
City of Wichita Falls
P.O. Box 1431
Wichita Falls, Texas 76307

OR2011-05829

Dear Mr. Scott:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 420538 (City ID# 124).

The Wichita Falls Police Department (the "department") received a request for information relating to a specified case. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the information you submitted.

We note the submitted information includes a crash report completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) of the Transportation Code states that except as provided by subsection (c) or (e), accident reports are privileged and confidential.¹ *See id.* § 550.065(b). Section 550.065(c)(4) provides for the release of an accident report to a person who provides two of the following three items of information: (1) the date of the accident; (2) the name of

¹Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information other statutes make confidential.

any person involved in the accident; and (3) the specific location of the accident. *See id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more of the items of information specified by the statute. *Id.* In this instance, the requestor has not provided the department with two of the three specified items of information. Therefore, the department must withhold the submitted crash report from this requestor pursuant to section 550.065(b) of the Transportation Code.

Next, we address your claim under section 552.108 of the Government Code for the rest of the submitted information. Section 552.108(a)(1) excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body must reasonably explain how and why section 552.108 is applicable to the information at issue. *See id.* § 552.301(e)(1)(A); *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state, and have provided a letter from the department asserting, that release of the remaining information would interfere with a pending criminal case. Based on your representations and the department’s letter, we conclude section 552.108(a)(1) is applicable in this instance. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

We note section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” Gov’t Code § 552.108(c). Section 552.108(c) refers to the basic front-page information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88. You indicate basic information has been released. We therefore conclude the department may withhold the remaining information under section 552.108(a)(1) of the Government Code.

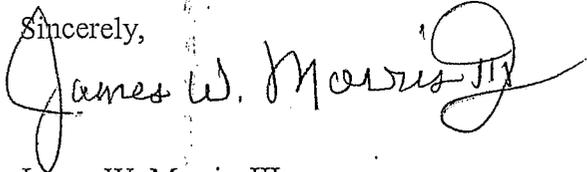

In summary, the department (1) must withhold the crash report pursuant to section 550.065(b) of the Transportation Code and (2) may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
