(B) drafts of the audit report or portions of those drafts.

Gov't Code § 552.116. You state the submitted information consists of "audit working papers prepared or maintained by [the] TEA's Student Assessment Division Security Task Force in conducting an investigation of testing irregularities in the administration of statewide assessment instruments at Flour Bluff Independent School District." You state the audit was conducted under the authority granted to the TEA by section 39.057(a)(8) of the Education Code, which "permits the [c]ommissioner of [e]ducation to authorize special accreditation investigations to be conducted in response to an allegation regarding or an analysis using a statistical method result indicating a possible violation of an assessment instrument security procedure." *See* Educ.
