Mr. Robert Schell

North Texas Tollway Authority  
P.O. Box 260729

OR2011-06038

Dear Mr. Schell:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 416253.

The North Texas Tollway Authority (the "authority") received a request for information pertaining to uncashed, stale-dated, or outstanding checks or warrants issued prior to September 1, 2010. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.117 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. The authority is governed by the Texas Regional Tollway Authority Act, chapter 366 of the Transportation Code. Section 366.179 of the Transportation Code provides in relevant part:

(a) For purposes of this section, a transponder is a device placed on or within an automobile that is capable of transmitting or receiving information used to assess or collect tolls. A transponder is insufficiently funded if there is no money in the account for which the transponder was issued.

(d) Transponder customer account information, including contact and payment information and trip data, is confidential and not subject to disclosure under Chapter 552, Government Code.

Transp. Code § 366.179(a), (d). You inform us “[i]n connection with the operation of its toll projects, the [authority] issues transponders or ‘TollTags’ to [authority] customers wishing to establish an account with the [a]uthority.” You state the submitted information consists of customers’ account information compiled by the authority. We therefore conclude the submitted information is subject to section 366.179(d) of the Transportation Code. Accordingly, the authority must withhold the submitted information under section 552.101 of the Government Code.<sup>1</sup>

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
