Assistant City Attorney
City of Corpus Christi

OR2011-06467

Dear Mr. Bounds:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 416992.

The City of Corpus Christi (the "city") received a request for the contract, proposal, and documentation of cost pertaining to Granicus, Inc. ("Granicus"). Although the city takes no position on whether the submitted information is excepted from disclosure, you state release of this information may implicate the proprietary interests of Granicus. Accordingly, you state you have notified Granicus of the request and of its right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.305(d) (permitting interested third party to submit to attorney general reasons why requested information should not be released); Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permitted governmental body to rely on interested third party to raise and explain applicability of exception to disclosure under certain circumstances). We have reviewed the submitted information.

We note an interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) of the Government Code to submit its reasons, if any, as to why requested information relating to it should not be released. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received any comments from Granicus. Thus, Granicus has not demonstrated it has a protected proprietary interest in any of the submitted information. *See id.* § 552.110(a)-(b); Open

Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the city may not withhold any of the submitted information based on the proprietary interests of Granicus.

We note some of the submitted information may be protected by copyright. A custodian of public records must comply with the copyright law and is not required to furnish copies of records that are copyrighted. Open Records Decision No. 180 at 3 (1977). A governmental body must allow inspection of copyrighted materials unless an exception applies to the information. *Id.*; see Open Records Decision No. 109 (1975). If a member of the public wishes to make copies of copyrighted materials, the person must do so unassisted by the governmental body. In making copies, the member of the public assumes the duty of compliance with the copyright law and the risk of a copyright infringement suit. As no exceptions to disclosure have been raised, the submitted information must be released, but any information that is protected by copyright may only be released in accordance with copyright law.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

Sarah Casterline
