Dear Ms. Towe:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 419980.

The Texas Department of Criminal Justice (the "department") received a request for information about a named inmate. You claim the requested information is excepted from disclosure under section 552.134 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.134(a) of the Government Code relates to inmates of the department and provides the following:

Except as provided by Subsection (b) or by Section 552.029 [of the Government Code], information obtained or maintained by the Texas Department of Criminal Justice is excepted from [required public disclosure] if it is information about an inmate who is confined in a facility operated by or under a contract with the department.

Gov't Code § 552.134(a). You assert the submitted information, including the submitted statement of fact forms and pen packet information, consists of information about an inmate confined in a facility operated by the department. Upon review, we agree the information is subject to section 552.134. We also find the exceptions in section 552.029 are not applicable

in this instance. Therefore, the department must withhold the submitted information under section 552.134 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
