Ms. P. Armstrong  
Assistant City Attorney  
Criminal Law and Police Section  
City of Dallas

OR2011-07432

Dear Ms. Armstrong:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 418683 (Dallas ORR# 2011-2201).

The Dallas Police Department (the "department") received a request for the report related to a specified traffic accident. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.<sup>1</sup>

Initially, we must address the department's responsibilities under the Act. Section 552.301 of the Government Code prescribes the procedures that a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. Pursuant to section 552.301(b) of the Government Code, a governmental body must ask for the attorney general's decision and state the exceptions that apply within ten business days after receiving the request. *See* Gov't Code § 552.301(b). Upon review, we find the department received the request on March 7, 2011. Thus, the department was required to request a decision from this office by March 21, 2011. The department submitted

<sup>1</sup>We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than those submitted to this office.

its request for a decision on March 22, 2011. Therefore, we find the department failed to comply with the requirements of section 552.301(b).

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the information is public and must be released. Information that is presumed public must be released unless a governmental body demonstrates a compelling reason to withhold the information to overcome this presumption. *See* Gov't Code § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ) (governmental body must make compelling demonstration to overcome presumption of openness pursuant to statutory predecessor to section 552.302); Open Records Decision No. 630 (1994). A compelling reason exists when third-party interests are at stake or when information is confidential under other law. Open Records Decision No. 150 (1977). You claim section 552.108 for the submitted information; however, section 552.108 is a discretionary exception that protects a governmental body's interests and may be waived. *See* Gov't Code § 552.007; Open Records Decision Nos. 663 at 5 (1999) (untimely request for decision resulted in waiver of discretionary exceptions), 177 (1977) (statutory predecessor to section 552.108 subject to waiver). In failing to comply with the requirements of section 552.301, you have waived your claim under section 552.108. Therefore, the department may not withhold any of the submitted information under section 552.108 of the Government Code. We note, however, some of the information in the submitted report is subject to section 552.130 of the Government Code,<sup>2</sup> which is a mandatory exception that provides a compelling reason to overcome the presumption that this information is public.

Section 552.130 excepts from disclosure information related to a motor vehicle operator's or driver's license or permit issued by an agency of this state or a motor vehicle title or registration issued by an agency of this state. *See* Gov't Code § 552.130(a)(1), (2). The department must withhold the information we have marked under section 552.130 of the Government Code.<sup>3</sup> The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

---

<sup>2</sup>The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

<sup>3</sup>This office has issued Open Records Decision No. 684 (2009), a previous determination to all governmental bodies authorizing them to withhold ten categories of information, including Texas license plate numbers under section 552.130 of the Government Code, without the necessity of requesting an attorney general decision.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at [http://www.oag.state.tx.us/open/index\\_orl.php](http://www.oag.state.tx.us/open/index_orl.php), or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839.
