

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

May 27, 2011

Mr. W. Montgomery Meitler
Assistant Counsel
Texas Education Agency
1701 North Congress Avenue
Austin, Texas 78701-1494

OR2011-07545

Dear Mr. Meitler:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 422115 (TEA PIR# 15167).

The Texas Education Agency (the "agency") received a request for all incident reports, complaints, or anything filed against a named school during a specified time period. You state the agency has released some information to the requestor. You also state the agency has redacted information pursuant to the Family Educational Rights and Privacy Act ("FERPA"), section 1232g of title 20 of the United States Code.¹ You claim the submitted information is excepted from disclosure under section 552.116 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.²

¹The United States Department of Education Family Policy Compliance Office (the "DOE") has informed this office that FERPA does not permit state and local educational authorities to disclose to this office, without parental consent, unredacted, personally identifiable information contained in education records for the purpose of our review in the open records ruling process under the Act. The DOE has determined that FERPA determinations must be made by the educational authority in possession of the education records. We have posted a copy of the letter from the DOE to this office on the Attorney General's website: <http://www.oag.state.tx.us/open/20060725usdoe.pdf>.

²We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

Initially, you state a portion of the responsive information was the subject of a previous request for information, as a result of which this office issued Open Records Letter No. 2011-01519 (2011). In that ruling, we determined the agency may withhold the information at issue pursuant to section 552.116 of the Government Code. You state the law, facts, and circumstances on which the prior ruling was based have not changed. Accordingly, for the requested information that is identical to the information previously requested and ruled upon by this office, we conclude the agency may rely on Open Records Letter No. 2011-01519 as a previous determination and withhold the identical information in accordance with that ruling. *See* Open Records Decision No. 673 (2001) (so long as law, facts, and circumstances on which prior ruling was based have not changed, first type of previous determination exists where requested information is precisely same information as was addressed in prior attorney general ruling, ruling is addressed to same governmental body, and ruling concludes that information is or is not excepted from disclosure). We will consider your arguments for the remaining information.

Section 552.116 of the Government Code provides as follows:

(a) An audit working paper of an audit of the state auditor or the auditor of a state agency, an institution of higher education as defined by Section 61.003, Education Code, a county, a municipality, a school district, or a joint board operating under Section 22.074, Transportation Code, including any audit relating to the criminal history background check of a public school employee, is excepted from [required public disclosure]. If information in an audit working paper is also maintained in another record, that other record is not excepted from [public disclosure] by this section.

(b) In this section:

(1) "Audit" means an audit authorized or required by a statute of this state or the United States, the charter or an ordinance of a municipality, an order of the commissioners court of a county, a resolution or other action of a board of trustees of a school district, including an audit by the district relating to the criminal history background check of a public school employee, or a resolution or other action of a joint board described by Subsection (a) and includes an investigation.

(2) "Audit working paper" includes all information, documentary or otherwise, prepared or maintained in conducting an audit or preparing an audit report, including:

(A) intra-agency and interagency communications; and

(B) drafts of the audit report or portions of those drafts.

Gov't Code § 552.116. You state the submitted information consists of "audit working papers prepared or maintained by [the agency's] Ombuds Office and Student Assessment Division Security Task Force in conducting investigations of testing irregularities in the administration of statewide assessment instruments at [the named school]." You inform us the investigations are authorized by section 39.056(a)(1) of the Education Code, which "permits the [c]ommissioner of [e]ducation to direct [the agency] to conduct on-site investigations of a school district at any time to answer any questions concerning a program required by federal funds," and section 39.057(a)(8) of the Education Code, which "permits the [c]ommissioner of [e]ducation to authorize special accreditation investigations to be conducted in response to an allegation regarding or an analysis using a statistical method result indicating a possible violation of an assessment instrument security procedure." *See* Educ. Code §§ 39.056, .057 (listing circumstances in which the commissioner shall authorize investigations). Based on your representations and our review of the information at issue, we agree section 552.116 is applicable in this instance. We therefore conclude the agency may withhold the submitted information pursuant to section 552.116 of the Government Code.

In summary, with regard to the requested information that is identical to the information previously requested and ruled upon by this office, we conclude the agency may rely on Open Records Letter No. 2011-01519 as a previous determination and withhold the identical information in accordance with that ruling. The agency may withhold the submitted information under section 552.116 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
