

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

June 2, 2011

Ms. Leticia D. McGowan
School Attorney
Dallas Independent School District
3700 Ross Avenue
Dallas, Texas 75204

OR2011-07763

Dear Ms. McGowan:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 425788 (ORR# 10310).

The Dallas Independent School District (the "district") received a request for the personnel file of the district's superintendent. You state that some of the requested information either has been or will be released. You claim that the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information that other statutes make confidential. You claim section 552.101 in conjunction with section 21.355 of the Education Code, which provides that "[a] document evaluating the performance of a teacher or administrator is confidential." Educ. Code § 21.355. This office has interpreted section 21.355 to apply to any document that evaluates, as that term is commonly understood, the performance of a teacher or an administrator. *See* Open Records Decision No. 643 (1996). We have determined that for the purposes of section 21.355, the word "teacher" means a person who is required to and does in fact hold a teaching certificate under subchapter B of chapter 21 of the Education Code or a school district teaching permit under section 21.055 and who is engaged in the process of teaching, as that term is commonly defined, at the time of the evaluation. *See* ORD 643 at 4. We also have determined that the

word "administrator" in section 21.355 means a person who is required to and does in fact hold an administrator's certificate under subchapter B of chapter 21 of the Education Code and is performing the functions of an administrator, as that term is commonly defined, at the time of the evaluation. *Id.*

You contend that the submitted information is confidential under section 21.355. You state that the information at issue consists of evaluations of an individual who was employed as a teacher or superintendent at the time of the evaluations and was required to hold the appropriate certifications under subchapter B of chapter 21 of the Education Code. Based on your representations and our review of the information at issue, we conclude that the district must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 21.355 of the Education Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
