Dear Ms. Graham:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 424820.

The Mesquite Police Department (the "department") received a request for a specified call sheet. You state some of the requested information either has been or will be released. You claim the rest of the requested information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the information you submitted.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information other statutes make confidential. Chapter 772 of the Health and Safety Code authorizes the development of local emergency communications districts. Sections 772.118, 772.218 and 772.318 are applicable to emergency 911 districts established in accordance with chapter 772. *See* Open Records Decision No. 649 (1996). These sections make the originating telephone numbers and addresses of 911 callers that are furnished by a service supplier confidential. *Id.* at 2. Section 772.118 applies to an emergency communication district for a county with a population of more than two million. You state the City of Mesquite is part of an emergency communication district established under section 772.118. You state the telephone number you have marked was furnished by a 911 service supplier. Based on your representations,

we conclude the department must withhold the marked telephone number under section 552.101 of the Government Code in conjunction with section 772.118 of the Health and Safety Code.¹

Section 552.130 of the Government Code excepts from disclosure information relating to a motor vehicle title or registration issued by an agency of this state. *See* Gov't Code § 552.130(a)(2). We agree the department must withhold the Texas license plate numbers you have marked under section 552.130.²

In summary, the department must withhold the marked telephone number under section 552.101 of the Government Code in conjunction with section 772.118 of the Health and Safety Code and the marked Texas license plate numbers under section 552.130 of the Government Code.
