Dear Mr. Simmons:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 420434 (ORR DART #8103).

Dallas Area Rapid Transit ("DART") received a request for all information related to the requestor's client. You state some information will be released to the requestor. You claim the submitted information is excepted from disclosure pursuant to section 552.122 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.122 of the Government Code excepts from disclosure "a test item developed by a . . . governmental body[.]" Gov't Code § 552.122(b). In Open Records Decision No. 626 (1994), this office determined that the term "test item" in section 552.122 includes "any standard means by which an individual's or group's knowledge or ability in a particular area is evaluated," but does not encompass evaluations of an employee's overall job performance or suitability. ORD 626 at 6. The question of whether specific information falls within the scope of section 552.122(b) must be determined on a case-by-case basis. *Id.* Traditionally, this office has applied section 552.122 where release of "test items" might compromise the effectiveness of future examinations. *Id.* at 4-5; *see also* Open Records Decision No. 118 (1976). Section 552.122 also protects the answers to test questions when the answers might reveal the questions themselves. *See* Attorney General Opinion JM-640 at 3 (1987); ORD 626 at 8.

You seek to withhold the submitted interview and examination questions, and possible answers to those examination questions, under section 552.122 of the Government Code. You state these questions evaluate DART police officer knowledge and that release would be detrimental to future testing of DART officers. Having considered your arguments and reviewed the information at issue, we conclude the examination questions and possible answers we have marked qualify as test items for the purposes of section 552.122(b). Accordingly, we conclude DART may withhold the marked information under section 552.122 of the Government Code. We find, however, the remaining information consists of scoring sheets and interview questions that evaluate an applicant's general knowledge, personal opinions, and subjective ability to respond to particular situations, and do not test any specific knowledge of an applicant. Accordingly, we determine the remaining items are not test items under section 552.122(b) of the Government Code and therefore may not be withheld on this basis. As you raise no further arguments against disclosure of the remaining information, it must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Jennifer Burnett
