Dear Ms. Villarreal:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 425285 (Waco Reference # LGL-11-669).

The City of Waco (the "city") received a request for 9-1-1 calls pertaining to a specified incident. The city indicates it will release some of the requested information. You claim that a portion of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision," and encompasses information made confidential by other statutes. Gov't Code § 552.101. You have highlighted a telephone number in the submitted computer aided dispatch record that you seek to withhold under section 552.101 in conjunction with section 772.318 of the Health and Safety Code. Chapter 772 of the Health and Safety Code relates to local emergency communications districts. Section 772.318 applies to an emergency 9-1-1 district established in accordance with chapter 772, and makes confidential the originating telephone numbers and addresses of 9-1-1 callers that are furnished by a service supplier. *See* Open Records Decision No. 649 (1996). We understand that the city is part of an emergency communication district that was established under section 772.318.¹ Provided that the

information you have highlighted consists of an originating telephone number furnished by a 9-1-1 service supplier, we conclude the city must withhold that information under section 552.101 in conjunction with section 772.318 of the Health and Safety Code.
