Dear Ms. Dang:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 420888.

The Corpus Christi Police Department (the "department") received a request for the 9-1-1 call related to a specified incident. You claim the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.130 excepts from disclosure information related to a motor vehicle operator's or driver's license or permit issued by an agency of this state or a motor vehicle title or registration issued by an agency of this state. *See* Gov't Code § 552.130(a)(1), (2). You state, and we agree, the submitted audio recording contains information subject to section 552.130. You state the department does not have the capability to redact this information from the recording. Therefore, we conclude the department must withhold the submitted audio recording in its entirety under section 552.130 of the Government Code. *See* Open Records Decision No. 364 (1983).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
