Ms. Jerris Penrod Mapes  
Assistant City Attorney  
Killeen Police Department  
3304 Community Boulevard  
Killeen, Texas 76542

OR2011-08876

Dear Ms. Mapes:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 421386 (Killeen PIR# W005266).

The Killeen Police Department (the "department") received a request for information related to a ticket issued to the requestor, including information pertaining to all traffic stops conducted by a named officer around or after 3:00 p.m. at three specified intersections. You claim the requested information is excepted from disclosure pursuant to section 552.108 of the Government Code. We have considered the exception you claim.

We must address the department's obligations under the Act. Section 552.301 of the Government Code prescribes the procedures that a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. Pursuant to section 552.301(e), a governmental body is required to submit to this office within fifteen business days of receiving an open records request (1) general written comments stating the reasons why the claimed exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. Gov't Code § 552.301(e)(1)(A)-(D). The department received the request for information on April 4, 2011. Accordingly, the fifteenth business day after the receipt of the request was April 25, 2011. As of this date, you have not submitted to this office comments stating the reasons why the stated exception applies or a copy or representative sample of the information requested. Accordingly, we conclude the department failed to comply with the requirements of section 552.301.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the requirements of section 552.301 results in the legal presumption the requested information is public and must be released unless a compelling reason exists to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ) (governmental body must make compelling demonstration to overcome presumption of openness pursuant to statutory predecessor to section 552.302); *see also* Open Records Decision No. 630 (1994). Generally, a compelling reason to withhold information exists where some other source of law makes the information confidential or where third party interests are at stake. Open Records Decision No. 150 at 2 (1977). You assert that the requested information is excepted from disclosure under section 552.108 of the Government Code. However, section 552.108 is a discretionary exception to disclosure and may be waived. *See* Gov't Code § 552.007; Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions), 177 at 3 (1977) (statutory predecessor to Gov't Code § 552.108 subject to waiver). In failing to comply with the procedural requirements of section 552.301, you have waived your claim under section 552.108, and the requested information may not be withheld on that basis. Thus, we have no choice but to order the requested information released pursuant to section 552.302 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
