Mr. Gary A. Scott
Assistant City Attorney
City of Conroe
P.O. Box 3066

OR2011-09216

Dear Mr. Scott:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 422415.

The City of Conroe (the "city") received a request for information pertaining to child injuries due to falls from windows at a specified apartment complex. You claim that the submitted information is excepted from disclosure under sections 552.101, 552.108, and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information protected by other statutes, such as section 261.201 of the Family Code, which provides in relevant part:

(a) [T]he following information is confidential, is not subject to public release under [the Act] and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

- (1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and
- (2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). You state the submitted information was used or developed in an investigation by the city's police department of alleged or suspected child abuse under chapter 261. *See id.* § 261.001(1) (defining "abuse" for purposes of chapter 261 of the Family Code); *see also* Penal Code § 22.04(c) (defining "child" for purposes of injury to a child as a person 14 years of age or younger). Based upon your representations and our review, we find the submitted information is within the scope of section 261.201 of the Family Code. You inform us the city's police department has not adopted a rule that governs the release of this type of information. Therefore, we conclude the submitted information is confidential pursuant to section 261.201(a) of the Family Code, and the city must withhold it in its entirety under section 552.101 of the Government Code.¹ *See* Open Records Decision No. 440 at 2 (1986) (predecessor statute).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
