Dear Mr. Meitler:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 424337 (ORR# 15298).

The Texas Education Agency (the "agency") received a request for "any investigation reports and correspondence on Laredo ISD's special education department, relating to their performance monitoring and overidentification of special education students" from 2005 through 2008. You state the agency has released some of the requested information, with information redacted pursuant to the Family Educational Rights and Privacy Act ("FERPA"), section 1232g of title 20 of the United States Code.<sup>1</sup> You claim the submitted information is excepted from disclosure under section 552.116 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.<sup>2</sup>

Section 552.116 of the Government Code provides as follows:

---

<sup>1</sup>The United States Department of Education Family Policy Compliance Office (the "DOE") has informed this office FERPA does not permit state and local educational authorities to disclose to this office, without parental consent, unredacted, personally identifiable information contained in education records for the purpose of our review in the open records ruling process under the Act. The DOE has determined FERPA determinations must be made by the educational authority in possession of the education records. We have posted a copy of the letter from the DOE to this office on the Attorney General's website: <http://www.oag.state.tx.us/open/20060725usdoe.pdf>.

<sup>2</sup>We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. See Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

If information in an audit working paper is also maintained in another record, that other record is not excepted from the requirements of Section 552.021 by this section.

(b) In this section:

(2) 'Audit working paper' includes all information, documentary or otherwise, prepared or maintained in conducting an audit or preparing an audit report, including:

(A) intra-agency and interagency communications; and

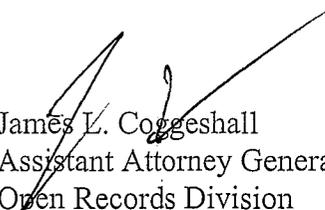

(B) drafts of the audit report or portions of those drafts.

Act of May 29, 2011, 82nd Leg., R.S., H.B. 2947, §§ 1, 2 (to be codified as amendments to Gov't Code § 552.116(a) and (b)(1)). You inform us the submitted information consists of audit working papers prepared or maintained by the agency's Division of Program Monitoring and Interventions in conjunction with an audit of the school district specified in the request for information. You state audits such as this are authorized by section 7.028 of the Education Code and section 80.40 of title 34 of the Code of Federal Regulations. *See* Educ. Code § 7.028 (authorizing agency to monitor charter school compliance with educational programs as necessary to ensure compliance with federal law, regulations, and financial accountability); 34 C.F.R. § 80.40(a) (requiring agency to monitor grant and subgrant supported activities to assure compliance with applicable federal requirements). Based on your representations and our review, we agree the submitted information consists of audit working papers as defined in section 552.116(b)(2) of the Government Code.
