

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

June 29, 2011

Mr. Charles H. Weir  
Assistant City Attorney  
City of San Antonio  
P.O. Box 839966  
San Antonio, Texas 78283-3966

OR2011-09300

Dear Mr. Weir:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 427015 (ORR 2011-7817).

The City of San Antonio (the "city") received a request for information related to a specified case. You state that some responsive information has been provided to the requestor. You claim that the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we must address the city's obligations under the Act. Section 552.301 describes the procedural obligations placed on a governmental body that receives a written request for information it wishes to withhold. Pursuant to section 552.301(b) of the Government Code, the governmental body must request a ruling from this office and state the exceptions to disclosure that apply within ten business days after receiving the request. *See* Gov't Code § 552.301(b). Pursuant to section 552.301(e) of the Government Code, the governmental body is required to submit to this office within fifteen business days of receiving the request (1) general written comments stating the reasons why the state exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or

representative samples, labeled to indicate which exceptions apply to which parts of the documents. *See id.* § 552.301(e).

You inform us the city received the instant request for information on February 25, 2011; therefore, the city's deadlines under subsections 552.301(b) and 552.301(e) were March 11 and March 18, 2011. The city requested this decision by United States mail meter-marked June 9, 2011. *See id.* § 552.308 (describing rules for calculating submission dates of documents sent via first class United States mail, common or contract carrier, or interagency mail). Thus, the city did not comply with section 552.301.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the requirements of section 552.301 results in the legal presumption the requested information is public and must be released unless a compelling reason exists to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ) (governmental body must make compelling demonstration to overcome presumption of openness pursuant to statutory predecessor to section 552.302); *see also* Open Records Decision No. 630 (1994). Generally, a compelling reason to withhold information exists where some other source of law makes the information confidential or where third-party interests are at stake. Open Records Decision No. 150 at 2 (1977). Because section 552.101 of the Government Code can provide a compelling reason to overcome this presumption, we will address your claim under this section.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information other statutes make confidential. Section 11 of article 49.25 of the Code of Criminal Procedure provides as follows:

The medical examiner shall keep full and complete records properly indexed, giving the name if known of every person whose death is investigated, the place where the body was found, the date, the cause and manner of death, and shall issue a death certificate. . . . The records are subject to required public disclosure in accordance with Chapter 552, Government Code, except that a photograph or x-ray of a body taken during an autopsy is excepted from required public disclosure in accordance with Chapter 552, Government Code, but is subject to disclosure:

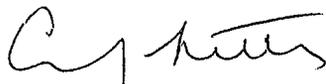

- (1) under a subpoena or authority of other law; or
- (2) if the photograph or x-ray is of the body of a person who died while in the custody of law enforcement.

Crim. Proc. Code art. 49.25, § 11. You state the submitted information consists of autopsy photographs. You further state neither of the statutory exceptions to confidentiality is applicable in this instance. Based on your representations, we conclude the city must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 11 of article 49.25 of the Code of Criminal Procedure.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,
