

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

July 5, 2011

Ms. Kristy Ashberry  
City Secretary  
City of Rockwall  
385 South Goliad  
Rockwall, Texas 75087

OR2011-09455

Dear Ms. Ashberry:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 427217.

The Rockwall Police Department and the Rockwall County District Attorney's Office (collectively, the "department") received a request for information pertaining to an accident involving the requestor's client and a named individual on a specified date at a certain location. You claim the submitted information is excepted from disclosure under sections 552.108 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

We note the submitted documents include a CR-3 accident report form completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) states that, except as provided by subsection (c) or subsection (e), accident reports are privileged and confidential. *Id.* § 550.065(b). Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) the date of the accident; (2) the name of any person involved in the accident; and (3) the specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more of the items of information specified by the statute. *Id.* In this instance, the requestor has provided the department with the requisite pieces of information. Although you seek to withhold this information under section 552.108 of the Government Code, we note information that is specifically made public by statute may not

be withheld from the public under any of the general exceptions to public disclosure under the Act. *See, e.g.*, Open Records Decision Nos. 544 (1990), 378 (1983), 161 (1977), 146 (1976). Accordingly, the department must release the submitted CR-3 accident report pursuant to section 550.065(c)(4) of the Transportation Code.

We also note the submitted information includes court documents. Section 552.022(a)(17) of the Government Code provides for required public disclosure of “information that is also contained in a public court record,” unless the information is expressly confidential under other law. Gov’t Code § 552.022(a)(17). We have marked the documents subject to section 552.022(a)(17). Although you seek to withhold these documents under section 552.108 of the Government Code, that section is a discretionary exception to disclosure that protects a governmental body’s interests and may be waived. *See id.* § 552.007; Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 177 at 3 (1977) (statutory predecessor to Gov’t Code § 552.108 subject to waiver). As such, section 552.108 is not other law that makes information expressly confidential for the purposes of section 552.022(a)(17). Therefore, the marked court documents may not be withheld under section 552.108. Consequently, the department must release the marked court documents pursuant to section 552.022(a)(17).

You seek to withhold the remaining information under section 552.108 of the Government Code. Section 552.108(a)(1) excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime [if] release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the remaining information relates to an ongoing criminal investigation. Based upon your representation and our review, we conclude section 552.108(a)(1) is generally applicable in this instance. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.— Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). We note, however, the information at issue includes a DIC-24 statutory warning and a DIC-25 notice of suspension. The department provided copies of these forms to the arrestee. You have not explained how releasing this information, which has already been seen by the arrestee, would interfere with the detection, investigation, or prosecution of crime. *See* Gov’t Code § 552.108(a)(1). Accordingly, the DIC-24 and DIC-25 forms may not be withheld under section 552.108.

Additionally, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” *Id.* § 552.108(c). Section 552.108(c) refers to the basic “front-page” information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-187; *see also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Accordingly, with the exception of the

DIC-24 and DIC-25 forms and basic information, the department may withhold the remaining submitted information under section 552.108(a)(1).

We note the DIC-24 and DIC-25 forms contain the arrestee's driver's license number. Section 552.130 of the Government Code provides that information relating to a motor vehicle operator's license or driver's license is excepted from public release. Act of May 24, 2011, 82nd Leg., R.S., S.B. 1638, § 4 (to be codified as an amendment to Gov't Code § 552.130). The department must withhold the driver's license number we have marked under section 552.130 in the DIC-24 and DIC-25 forms.<sup>1</sup>

In summary, the department must release the submitted CR-3 accident report pursuant to section 550.065(c)(4) of the Transportation Code. The department must also release the marked court documents pursuant to section 552.022(a)(17) of the Government Code. Except for the DIC-24 and DIC-25 forms and basic information, the department may withhold the remaining information under section 552.108(a)(1) of the Government Code. In releasing the DIC-24 and DIC-25 forms, the department must withhold the driver's license number we have marked under section 552.130 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
